

NENEGATE NEWS

Edition: 13

I always find that the shorter week after a Bank Holiday is a little strange. By the time everyone has adjusted to remembering which day it is, the week is nearly over. Our news is a little reduced this week, but please do take notice of Maccy's fundraising poster. The School Council met this morning and agreed that we would have a big push between now and half term to collect items for those affected by the volcanic eruption in St Vincent. We are asking all students to bring in a contribution – even a tin from your cupboard will make a difference to someone. Please encourage your children to support this charitable act and contribute to our community efforts.

Please also take the time to read the information about fostering later in the newsletter. We have a number of foster carers linked to our school, who do an amazing job and make such a difference to young people. There is always the need for more!

Lateral Flow Tests

Students have been given more lateral flow tests this week. Please do encourage your child to continue twice weekly testing at home. Results must be reported to the government website and also to our school using the QR code below.

Head Teacher's Star of the Week

This week my Star of the Week is Nathan. He has been putting in so much effort over the last few weeks and has gained in confidence and enthusiasm as he sees the positive benefits his efforts bring him. I know his tutor team are also extremely proud of him and I hope he keeps this up. Very well done Nathan!

Date: 7 May 2021

Staff Hero of the Week

This week my staff hero is Mrs Love, our behaviour mentor. Mrs Love works very hard to support our students and I know they value the time she gives them. Her office is a safe space for both students and staff and she always seems to have the kettle on. I think every school needs a Mrs Love, but no-one could match our original version. Thank you Mrs Love for everything you do.

Catherine Wilson

Foster for us today and show why you care!

Cambridgeshire County Council and Peterborough City Council are supporting this year's Foster Care Fortnight campaign (10th – 23rd May) and urging people to consider fostering as a career. We particularly need carers who can support children and young people between 10 -15 years old, sibling groups of brothers & sisters and short breaks Link foster carers.

Foster Care Fortnight is the UK's largest foster care awareness raising campaign and aims to show the positive impact foster care has made on young people's lives. Foster carers accomplish incredible things every day, and despite the practical and emotional challenges from coronavirus, foster carers continue to provide day-to-day support, love and stability to children and young people who can't live with their birth families.

We want to hear from anyone who is over 21, has a spare bedroom and the love and dedication to help our young people. We offer round the clock out of hours' support should you need it, a dedicated supervising social worker who will provide regular supervision and support and generous pay and benefits. Register today at www.cambridgeshire.gov.uk/fostering or call 0800 052 0078.

Why not find out more by coming to our virtual information session on the 26th May from 6-8pm. Book now

Key Stage 3

Ferrari have had a very successful week. The morning group have been a dream to work with and continue to work hard on their Boxercise. The afternoon group went to ACE and were incredibly successful. You can see the fruits of their labour below:

Key Stage 4

Our sunflowers are growing and we will soon plant them in the garden at the front of school.

I have found out I'm doing intervention with Miss Scutt - English Entry Level .

We have not got long left, we leave on 28th May sadly .

We have had a good PE lesson and enjoyed Music .

Me , Maccy , Josh and Tamas went to town for a couple of hours .

Can't wait to come back for the school trips.

Myles

We had a nice extra day off as it was a bank holiday. Me, Myles, Tamas and Josh went to town together and we walked around Queensgate and went to bubble tea pink shop. I have recently been listening to a new type of music - I really enjoy listening to punk.

in PE we played dodgeball and got destroyed by Mr Neesham, but Josh was the saviour of our team and kept us alive.

I have finished my Maths and Science exam papers and I am happy with them.

Maccy
