## PSHE Presentation

This week began with a presentation on knife crime to all students in Key Stages 3 and 4. PC Frank came into school to deliver it and the students responded well and interacted confidently.

They were enlightened about certain facts; at the beginning when they were asked, the majority of students said people would carry a knife as protection. After the presentation and a lot of discussion they agreed that carrying a knife was absolutely the wrong thing for anyone to do to.

Most tutor groups then went on to do some work in class to support this and displays are being produced around the school.

Thank you very much to Mrs Love for organising this.

## ACE craftsmanship!

Some of our Key Stage 2 and Key Stage 3 students are continuing to attend ACE provision once a week. They have access to the workshop and each week complete a practical project. They started with wooden whistles and this week have progressed to picture frames. We are very impressed with their skills and their superb conduct during the sessions.

## COVID Update: Masks in School

Parents may be aware that the latest government guidance has changed the advice on the wearing of masks in schools. From Monday 17<sup>th</sup> May the following rules apply:

- Students do not need to wear masks in school at any time
- Staff do not need to wear masks in classrooms
- Staff and any other adults in school must wear masks in communal areas

or at times when they are unable to socially distance from other adults

- Students will still need to wear masks in taxis or on public transport

If students wish to continue wearing masks in school they may do so.

I would like to thank students for following the stricter rules on mask wearing so consistently and without complaint. Thank you also to parents and carers for your continued support.

## Lateral Flow Tests

Please do encourage your child to continue twice weekly testing at home. Results must be reported to the government website and also to our school using the QR code below.

## Head Teacher's Star of the Week

This week my Star of the Week is Myles. I have been impressed with him since he returned to school after lockdown. I have also particularly appreciated his contributions to the newsletter, which never fail to make me smile. Well done Myles

## Staff Hero of the Week

This week my staff hero is Miss Bailey. She works tirelessly to support all students in school and is a dedicated tutor to the students in Falcons. She is firm, fair and kind and students always know where they are from her and what they can expect. Thank you Miss Bailey.

*Catherine Wilson*

## Key Stage 3

The morning Ferrari group have all had an amazing week and all three students have been given an award to recognise this. Bradley has proved himself a particular star in DT and has made a fabulous mug rack, showing great concentration and skill.

The Falcons spread their wings this week by enjoying the brief window of sunshine by visiting Central Park for outdoor learning. Lots of laughter was shared with the group and there was a moment of genius from Aironas who thought of adding a 'spot the difference' to this week's edition. There are seven changes to the images, can you spot them all...

## Key Stage 4

This week, the sunflowers have started to grow a lot more. We enjoyed hearing about the knife crime presentation. We did basketball in PE and Neesham was proper dead out that day. Myles hit some epic baskets my g. I finished my English GCSE papers and I am starting my ASDAN papers now. I loved getting carried by Kian and Ben in football. It is like a guaranteed win when they are on a team together. All in all this week has been very enjoyable for all of us.

## Students of the Week

**Key Stage 3: Paul, Sean, Archie, Lewis, Cameron**

**Special Award for DT: Bradley**

**Key Stage 4: Josh P, Kris**

**Y.D.P. YOUTH DREAMS PROJECT**  
**WE BELIEVE IN YOUTH!**
