

NENEGATE

NENEGATE SCHOOL

Date 13th March 2020

Dear Parents and Carers

As the Corona Virus moves to the delay phase the advice is to self-isolate for 7 days if you have any of the symptoms - a new, continuous cough or high temperature.

Please keep your child at home if they display these symptoms and inform the school office. You will not be asked for medical evidence as you will not be able to obtain it. The advice is to look for information on the NHS website or 111 online.

Please encourage your child to wash their hands regularly and use a paper, disposable tissue to cough or sneeze in to. This is the best way to stop germs spreading.

This phase of the virus may also impact on the level of staffing available. We will endeavour to keep the school fully open but may need to consider partial closure if we do not have enough staff to operate safely.

We will continue to update you regularly.

Please contact school if you have any questions

Yours Faithfully

Ruth O'Sullivan
Head Teacher
